

The Co-Teach Preschool is located within the Institute for Educational Research and Service (IERS) at the north east corner basement of McGill Hall on The University of Montana campus. McGill Hall is south of the Adams Center/Grizzly Pool, south west of Washington-Grizzly Stadium and north of the tennis courts.

Following the red arrows on the map above, drive east on 6th St. (toward Mount Sentinel, the “M”) and remain in the right lane. When you reach UM’s Adams Center, follow the curve of the road left until you reach the stop sign. Turn right onto Campus Drive and go around Washington-Grizzly Stadium. Take the 2nd right available between the tall dormitory, Aber Hall, and the Heating Plant/smoke stack and enter parking lot Y. (An alternative approach, noted by the yellow arrows, is via Beckwith Avenue, from the south west corner of the UM campus.) Five reserved parking spaces (#10-14) in front of McGill are designated for Co-Teach Preschool and IERS. Steps, as well as an accessibility ramp, lead down to the entrance of IERS. The Co-Teach door is signed and near the end of the walkway on the left. We will provide you with a temporary parking decal at our office.
